

## Senior Software Engineer - UI Developer (f/m)

Websitebutler is one of the largest full-service-website provider in Germany with over 5000 happy B2B-customers. Now we want to approach our next goal with our ambitious colleagues: revolutionize the international website market with our self-developed software. An exciting and challenging journey is ahead and we know that we will only achieve our goal together as a team. Therefore, it is important to encourage the development of every employee with a lot of fun and team spirit!

When?  
Immediately

Address  
Klosterstr. 62 | 10179 Berlin

Where?  
Berlin

## What your tasks look like

- Together we will develop and improve the best website creation and publishing tools for SMBs on the market
- You will utilize AI to inject corporate identity into beautiful unique websites
- You will seek for new ways to improve and advance our own CMS and CRM called "James"
- Through continuous observation of our user's behavior you always strive for the best UIs which allows users to operate faster

## Who we're looking for

- You should have at least 5 years of experience in software engineering
- You are highly experienced with Node.js and JavaScript Frameworks like React, Angular or Backbone
- You have comfortable knowledge with PHP/Symfony
- You have confident usage of HTML5, CSS3/SCSS and JS/jQuery to create the most user-friendly interfaces
- You ideally have experience of the Software Development Life Cycle, TDD, CI, CD
- You have experience in working on an Agile Scrum team/project

## What we offer

- You work directly with our founders and get the opportunity to take part in building up our Dev-Team
- You have the chance to actively shape our product and create something truly meaningful – for our users and yourself
- Our "we can do it" mindset coupled with our start up style atmosphere allows us to pursue an agile approach and to offer an innovation-friendly workplace
- Free choice of your own working gear
- Prime office location – in the heart of Berlin, where coffee flatrate, fruits and other extras await you

## How your new career starts

If you are ready for this challenge, we would be happy to receive your application including your start date and salary expectations. Any questions? Feel free to contact our Recruiting Team: [jobs@websitebutler.de](mailto:jobs@websitebutler.de)
